

REACH – Letter of Intent

REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) designed to ensure a high level of protection of human health and the environment as well as the free movement of substances, on their own, in preparations and in articles, while enhancing competitiveness and innovation.

The Regulation is supposed to contribute to the fulfilment of the Strategic Approach to International Chemical Management (SAICM) adopted on 6 February 2006 in Dubai.

Part of the regulation is the general obligation to register substances, preparations and – under certain circumstances – substances in articles.

The grinding tools marketed by KREBS & RIEDEL are to be understood as articles according to regulation 1907/2006. The grinding tools do not contain substances that are intended to be released under normal or reasonably foreseeable conditions of use. Furthermore, they do not contain substances that meet the criteria in Article 57 of said regulation.

Therefore there is no obligation for registration or notification for products made and/or sold by KREBS & RIEDEL.

Our products do not contain substances included in the *Candidate List of Substances of Very High Concern* (last update 2016-6-10).
