

# Declaration

Directive 2011/65/EU **OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL** of June, 8, 2011 (Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment), which replaces directive 2002/95/EG, restricts (with exceptions) the use of six hazardous materials in the manufacture of various types of electronic and electrical equipment

We herewith certify that the grinding tools produced and sold by our company are not electronic or electrical equipments, neither are they designed for or suitable for the use as a components of electronic or electrical equipment.

**Therefore directive 2011/65/EG (RoHS, formerly 2002/95/EG) is not applicable to the products produced and/or distributed by our company.**

**KREBS & RIEDEL Schleifscheibenfabrik GmbH & Co. KG**
