

# Declaration of conformity

## EC Regulation 1935/2004

### EC Declaration of Conformity in the sense of EC Regulation 1935/2004 with regard to the regulations for materials and equipment in contact with foodstuffs.

We, the manufacturer or distributor, hereby certify that the equipment parts supplied by us which come into contact with foodstuffs (Krebs & Riedel grinding disc rotor & stator in various dimensions) comply with the following regulations:

- Food, Commodities and Feed Code (LFGB)
- Consumer Goods Ordinance (BedGgstV)
- The recommendations of the Federal Institute for Risk Assessment (BfR) for the materials used
- Relevant standards for food processing machinery valid at the time of placing on the market
- Directive 84/500/EU and its amendment 2005/31/EG on ceramic articles intended to come into contact with foodstuffs

We confirm that the processed food is not negatively affected by our products when used as intended.

Food contact materials and articles must be labeled in accordance with Article 15 of Regulation (EC) 1935/2004. The traceability of the delivered equipment parts with food contact is guaranteed at all stages (Art. 17, VO (EG) 1935/2004). They do not release any substances that could endanger health or have a negative impact on food.

It is confirmed that we manufacture our products according to good manufacturing practice (Regulation (EC) 2023/2006) and that they are marketable in the EU.

The information given refers to the following supplied plant components:

- Krebs & Riedel grinding discs rotor various dimensions and grit sizes specification 10A P 2 V 12
- Krebs & Riedel grinding discs stator various dimensions and grit sizes specification 10A P 2 V 12
